WAS DESIGN

- Full portfolio available at: <https://www.was-impex.com/factory/product-gallery/?lang=en>

The company is specialized in:

- 1. producing furniture from MDF, plywood or massif wood of different design and in combination with metal and similar elements for business purposes (cabinet sets, working tables, conference tables, open and closed cabinets, office shelves, counters, beds, etc.)
- 2. producing a living space furniture from sheet materials and upholstery (complete custom made kitchen, individual kitchen elements, dinning tables, chairs, American closets, built-in wardrobes, different models of shelves, garden furniture, dining sets, furniture elements for sanitary facilities, etc.)
- 3. producing the bars and counters for various purposes (exhibitions, catering, salons, fairs, etc.)
- In addition to producing custom furniture on demand, the company has its own design team.

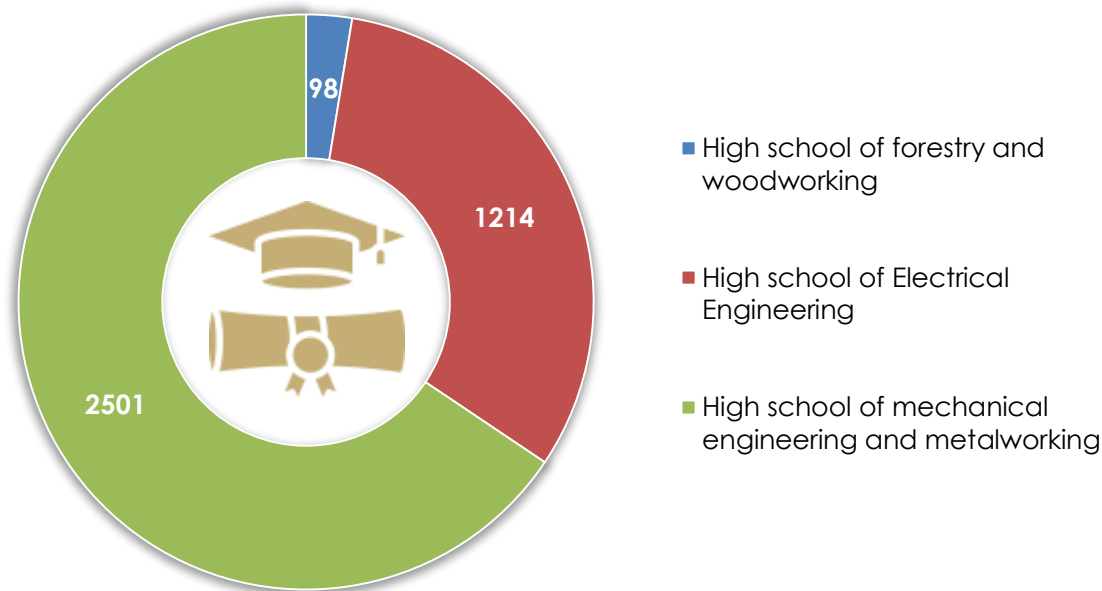

EDUCATION

In Montenegro, there are specialised high schools that teach their pupils about wood industry (wood cutting, processing, manufacturing etc.) They are mainly located in North Montenegro, near business zones, but there are a few in Podgorica as well. For potential investors, this means that they can easily find cheap work force amongst these ambitious pupils.

- Technical High School Vuksan Đukić, Mojkovac
- Electro-metallurgical High School Nikšić
- Technical High School Pljevlja
- Technical High School Spasoje Raspopović Podgorica
- Electrotechnical High School Vaso Aligrudić Podgorica
- Technical High School Ivan Uskoković

Pupils of Technical High Schools in 2018/19

AVERAGE PRICES OF RAW MATERIAL

In 2019, the **Forest Administration of Montenegro** has been selling wood assortments – industrial round wood from stocks, but most of the available timber mass from the state forests has been sold as standing timber by public tenders. Average prices in 2019 are presented in the table bellow:

Wood assortments - industrial roundwood average prices in EUR/m3

55

Spruce and fir tree

40

Beech

Average prices of standing timber sold by public tender in EUR/m3

30

Spruce and fir tree

12

Beech

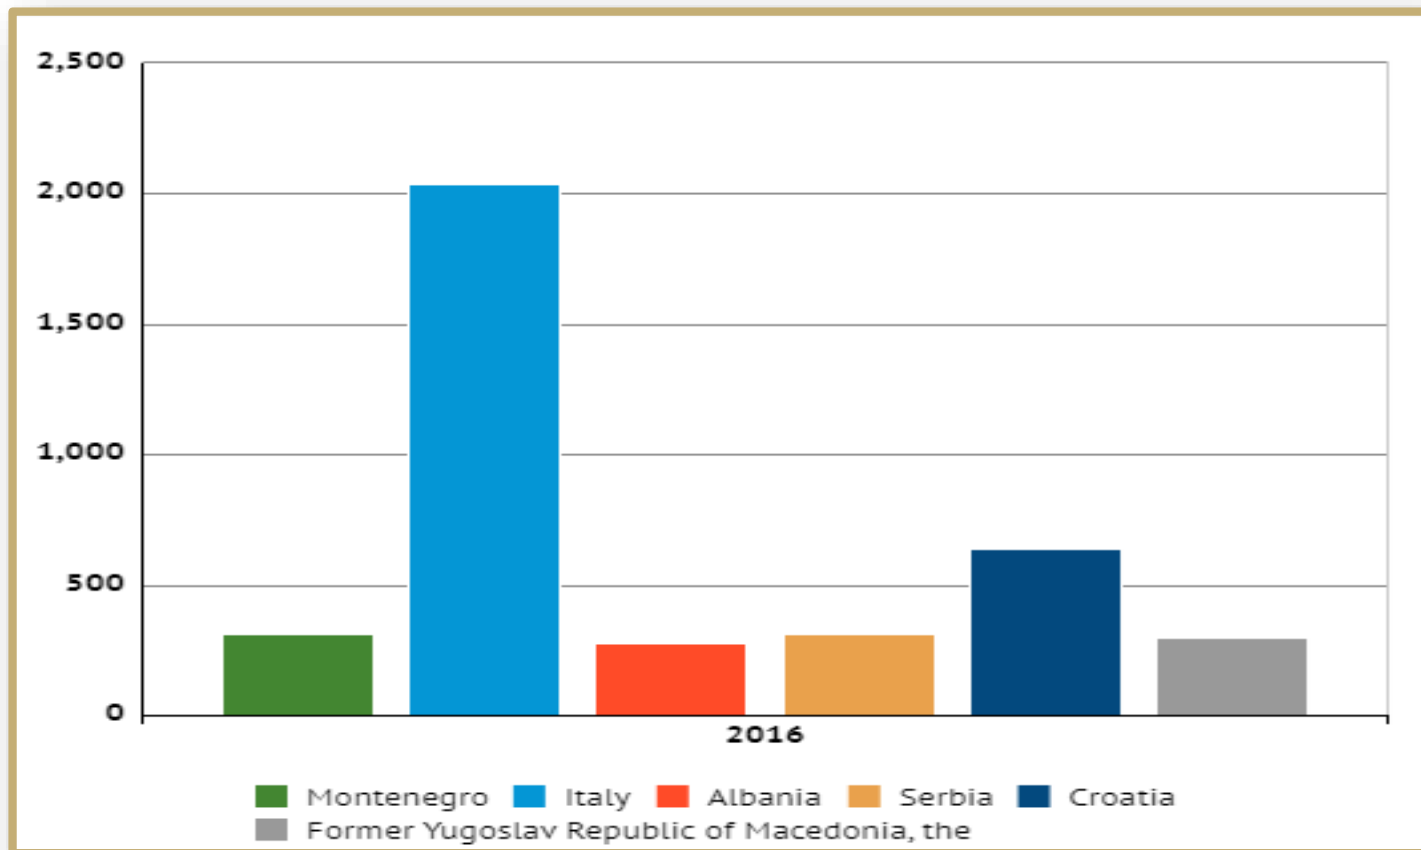

Average prices of sawn timber in EUR/m3

135 – 170

depending on the size and type

AVERAGE WAGES IN WOOD PROCESSING SECTOR

Invest in your own furniture business in Montenegro

Potentials & Incentives

Potential locations for the greenfield investment

Business zones in Podgorica

- 10 zones
- 257 hectares
- 0,01€/m²
- 30 years rent
